Sir,

Subject:- Water Supply Loan Account
Closepet Town Municipality

With reference to your letter No L.6569 dated 31st January 1942. on the above subject, I have the honor to state that necessary instructions were issued on 14-2-42 for payment of the loan arrears due by effecting brisk collection of the outstanding arrears of Mohatarfa and other taxes The President reports that on account of insufficient cash balances at the credit of the Municipalities, there was delay in the adjustment of the loan instalments due to Government A sum of Rs.500/- was however paid on 28th February 1942 and another sum of Rs 1000/- on 18th April 42 towards the loan account As per Comptroller's letter No 225/Loans dated 3-9-42 a sum of Rs.1259-3-1 was still outstanding payment on 1-7-42. The President of the Municipality reports that a sum of Rs.500/- was paid in the month of August 1942 and that the balance of the arrears amounting to Rs.759-3-1 would be paid in the khist season A statement showing the closing balance at the credit of the Municipality during the month of July to December 1942 is herein enclosed. It is seen therefrom that except in the months of July and November the closing balance has not risen to more than Rs.850/- in the remaining month.

The President reports that a moiety of the arrears due would be paid in the month of February and that the entire arrears would be cleared by the end of the current year But, the instalment due for the year 1942-43 will again fall into arrears I have therefore issued clear instructions to the President to adjust the entire arrears of Rs 759-3-1 by the end of February 1943 without fail and to take action to pay the current year's instalment by the

end of June 43 This will be watched and timely action taken for payments of the loan instalments they fall due in future The connected records accompany for favour of reference.

I have the honor to be,
Sir,
Your most obedient servant,

for Deputy Commissioner, 29/1
